How to Add *Smile, California* Banners to Your Website

It's easy to link to *Smile, California* from your website with banner images!

STEP 1: Go to the Banners tab on the "Partners & Providers" page.

STEP 2: Download the banner image of your choice to your computer.

STEP 3: Upload the image to your website's media library.

STEP 4: Add the image to your oral health page using your website editor.

STEP 5: Highlight the image and click the "Hyperlink" button in the editor.

STEP 6: Enter "https://SmileCalifornia.org".

STEP 7: Click "Publish".

You've now successfully linked *Smile, California*'s website, giving members and providers a convenient way to access additional resources!

How to Request Having *Smile, California* Banners Added to Your Website by Your Website Editor

If your website edits are made by someone other than yourself and you'd like to request to add a banner that hyperlinks to *the Smile, California* website, the following steps should provide your web developer with all they will need to successfully do so.

STEP 1: Go to the "Downloadable Webpage Banners" tab on the "Partners & Providers" page.

STEP 2: Download the banner image of your choice to your computer.

STEP 3: Attach this image to your request and ask your website's developer to add the image to your program's page and hyperlink it to "https://SmileCalifornia.org".

STEP 4: Your website editor should now have everything needed to link the *Smile, California* website to yours.
