

Dental Care Reminder

Medi-Cal Covers Dental During Pregnancy!

Keeping your teeth and gums healthy during pregnancy is one of the most important things you can do for you and your baby's health.

- Routine Dental Visit** - Have a check-up at least once per year. It is safe and recommended to see your dentist for a cleaning and exam before your baby is born.
- First Dental Visit** - Children should see a dentist by the time their first tooth comes in or by their 1st birthday, whichever comes first, and as often as recommended by their dentist thereafter.
- Suspected Cavity or Cavities** - Possible decay has been noted.
- Pain/Swelling/Possible Infection Noted** - See a dentist immediately.

As a Medi-Cal member, you are covered for dental services during pregnancy and 12 months postpartum.
