

Make an Impact in Your Community: Become a Medi-Cal Dental Provider.

Over 13 million Californians rely on Medi-Cal to meet their health care needs. Medi-Cal patients represent one-third of Californians and half of the state's children. By becoming a Medi-Cal dental provider you will help bring access to oral health care to Californians who need it most.

Receive a loan repayment of up to \$300,000!

CalHealthCares administers educational debt relief for California dentists who provide care to Medi-Cal patients. Eligible dentists can apply for a loan repayment up to \$300,000 in exchange for a five-year service agreement.

Wondering if you're eligible? Find out more on the Medi-Cal Dental website at www.dental.dhcs.ca.gov.

Applications for the CalHealthCares loan repayment grant are due in February! Questions? Email CalHealthCares@phcdocs.org or call (916) 551-2579 for more information.
